Dear Mr. Schoener:

Regarding Mr. Hugh Betzner's pictures I waited until Harold sent me an affidavit similar to yours and then called Mr. Betzner.

He was somewhat confused by the statement in your letter of November 10 "In response to your son's generous offer..." Mr. Betzner did not know about this offer and decided to wait until his son came to Kansas City. His son is here now and does not recall the offer. Mr. Betzner is, I believe, writing you about this now.

Just as soon as Mr. Betzner gives me the negatives I will go forward with the problem.

Sincerely
